

Dear Friends of Adventures In Truth,

2025 has proven to be the year we were hoping for. Much is happening, and much more still to do, but during our first 2 journey's into Ethiopia this year, God's been moving greatly. It's exciting to see everything falling into place, better than expected.

A. Two new large Ethiopian Jewish areas have been a huge part of our work thus far this year. With breakout war fractions in some regions, these new discoveries have allowed us the opportunity to reach into other areas on a regular basis. Huge groupings of starving Jews have been located in the far north, and AIT has been working with them with the Gospel, food, and clean water. Because of the war, they're starving and sick from poor water. **We need funding for filtration units, Tigrynia Solar Bibles, and more food.**

B. The plans for the Gospel Training Center for Ethiopian Jews is well underway, (**currently at 48% of the overall goal!!!**) and with new laws for outside ownership, AIT hopes to be able to purchase the compound when all of the details are worked out for this program with the government. We need to have the funds ready when it's all finalized because the exchange rates are in our favor! **In other words, we need funding to continue in an aggressive pace so we are ready when the time comes.**

C. We've also started a work in the Ethiopian prison in the city of Mekele to reach the women (where there are also Jews). We must minister to all the women, according to rules and regulations, and to not draw attention to the intent of the future training center. **Funding is needed to make this happen, which brings stronger relationship with the area governments.**

D. Lalibela has been a huge prayer as well, reaching far into the mountain regions. One Jewish man who went through our training has led numerous people to Christ, and our evangelizing efforts are bringing many more. Plus, we've located even more Jewish villages in that region that we are beginning work with. **SOLAR BIBLES & WATER FILTRATION UNITS are needed greatly to reach over 1000 people in the new villages!**

And that's just a start! Through God's guidance, your faithfulness, and hard work...we can do this...this is the year we've waited for! We're reaching thousands for Christ, and now we are taking massive steps forward!

PLEASE PRAY about what you can do! Then, simply mail your check or card information in the attached envelope made out to AIT. Or call us directly or use the QR code to make a donation. Your information is kept confidential. **Whatever your decision may be, thank you for your continued prayers!**

On Eagles Wings,

**"And I will bless them that
bless thee (the Jews)."
Genesis 12:3**
