

BOLIVIA

Gabriel & Gloria Martinez

We have been serving as missionaries with World Gospel Mission since 1986. We started in the aviation program assisting with technical services. Over the years we have instructed young people to be missionaries in the field of aviation. We were pastors to Hispanic immigrants in Ohio. We are now serving here in Bolivia as coordinators of this family oriented ministry.

Retreat Center "Joshua's House"

This is a family-oriented ministry, primarily assisting Christian churches and the community with retreats for married couples, leadership for pastors, and educating young people for future marriage and raising a Christ centered family.

Earlier this year we provided three family retreats, as well as speaking at churches about family values according to God's word. We organized family care programs for pastors in Santa Cruz that were very well accepted. Our prayer is that all this may encourage and edify God's people as they strive to serve Him.

Bible students:

As a ministry we are sponsoring three young men and three young women who are taking online Bible classes from the Aldersgate School of Ministry of California.

We count on you! Your prayers are the most important part of our ministry along with your love and financial support. We appreciate your encouragement as we serve the Lord in His work.

Building:

We have the main building at 80 percent completed. Presently we are in the middle of the pre- roof insulation project. Electrical wiring is at 20 % completed. All the rooms in the family Life Center need painted. 25% of glass windows have been installed. Outdoor restroom are in the process of being completed along with four main entrance doors to the building.

This has been a very long process for the past three years. My goal is to be able to be more focused on ministering to the people rather than constructing the building. This building is a tool for providing programs and resources like a library, that will enable families, pastors, and individuals to grow in their Christian walk with the Lord.

Thank you for your continued prayers and financial support as we work together serving our Lord and Savior Jesus Christ.

In Jesus,

Gabriel Martinez
